

Contract to Participate - Regents Scholarship Recipient

To accept placement, you must acknowledge each of the terms and conditions of eligibility for participation in the Integrated Studies Honors Program (ISHP). Please do so with your initials. This form must be completed and returned separate from accepting the Regents Scholarship, by the due date (postmarked no later than May 1).

1. _____ I hereby accept my place in the Integrated Studies Honors Program (ISHP) 2009-2010.
2. _____ I agree to take three ISHP 4-unit courses (select from a combination of IST 8A, 8B and/or 8C) and two ISHP 1-unit seminars (IST 9) for a total of 14 units as part of my first-year program at UC Davis. These course requirements must be completed by Spring Quarter 2010.
3. _____ I agree to live in the Integrated Studies Honors Program Residence Hall (Miller Hall). I understand that although I am guaranteed housing, I am still required to complete the Student Housing Contract and pay any deposit due, separate from this form, and it must be completed within the Student Housing deadline. (Note - you must take part in the residential component in order to participate in ISHP). If I do not complete the housing contract or deposit within their deadline, then I will lose my place in the ISHP program.
4. _____ I understand that living in the Miller Hall residential community is a privilege. Students who have been found in violation of Student Housing Rules and Regulations, the ISHP terms and conditions, and/or the University Code of Conduct and Regulations are subject to dismissal from the program and Miller Hall.
5. _____ I understand that I am making a commitment for the full year regardless of other obligations including other course work; employment; or extra curricular activities. (Because of the need to maintain a specific-sized group for the entire year; students may not opt out halfway through.)
6. _____ I understand that attendance and participation is expected in all ISHP courses and seminars. ISHP 4-unit courses must be taken for a letter grade. Unexcused absences in ISHP courses or seminars will be cause for a Fail or No Pass grade. Students who do not pass their ISHP courses with a "C" grade or better are subject to dismissal from the program and Miller Hall.
7. _____ I understand that priority registration is not available for any first-year student during Summer Orientation and that it will begin effective Winter Quarter 2010 registration. I must attain a cumulative Grade Point Average (GPA) of 3.25 each quarter in order to continue to receive the priority registration benefit.
8. _____ I agree to e-mail jhmoody@ucdavis.edu to indicate that I have returned this contract by the due date (postmarked by May 1) and that I will receive an e-mail acknowledgement when my contract has been received. If I have not received acknowledgement by May 30 then I understand it is my responsibility to contact the ISHP office for confirmation. Placement in the program after May 30 will be on a space available basis.
9. _____ By consenting to follow these terms and conditions of the Integrated Studies Honors Program, I understand that if I am no longer eligible for the honors program, then I recognize that I cannot continue to be registered in ISHP courses or live in Miller Hall and must relocate to another campus residence.

By signing I am indicating that I understand, and will abide by, the above eligibility criteria for the ISHP.
